World Geography – Write to Understand

You are writing a letter to a friend to tell him/her about the similarities and differences between the geography of your home country and the country you are visiting. Choose a home country and a destination country from page 7 of the DynaNotes World Geography End-of-Course student review guide.

home country: _____ **destination country:** _____

Choose three terms that relate to your ideas from *Category 2: Geography* (on pages 1 and 2) and write them on the lines below.

_____ _____ _____

Write a short, creative letter that uses each of the three terms. Circle the words wherever they appear.

Scoring: 3 points for demonstrating that you understand what each term means
3 points for identifying geographical similarities and differences
1 point for good writing mechanics (grammar, capitalization, punctuation, and spelling)
