

# TABLE OF CONTENTS

TEA STAAR Grade 6 Mathematics Reference Materials .....	iii
<b>Category 1: Understanding Rational Numbers</b>	
Activity 1 – Skill Builder – Rational Number Match-Up .....	1
Activity 2 – Skill Developer – Number Classification .....	2
Activity 3 – Skill Developer – Numbers, Opposites, and Absolute Values .....	3
Activity 4 – Skill Extender – Rational Number Brain Teasers .....	4
Activity 5 – Skill Checker – Understanding Rational Numbers Checkup .....	5
<b>Category 1: Comparing and Ordering Rational Numbers</b>	
Activity 6 – Skill Builder – Equivalent Rational Numbers .....	6
Activity 7 – Skill Developer – Locating, Comparing, and Ordering Numbers .....	7
Activity 8 – Skill Developer – Real World Ordering of Numbers .....	8
Activity 9 – Skill Extender – Ordering Rational Numbers Activity .....	9
Activity 10 – Skill Checker – Comparing and Ordering Rational Numbers Checkup .....	10
<b>Category 1: Ratios, Rates, and Percents</b>	
Activity 11 – Skill Builder – Examples of Ratios and Rates .....	11
Activity 12 – Skill Developer – Representing Ratios and Percents .....	12
Activity 13 – Skill Developer – Benchmark Fractions, Percents, and Their Multiples .....	13
Activity 14 – Skill Extender – Representing Fractions and Percents Activity .....	14
Activity 15 – Skill Checker – Ratios, Rates, and Percents Checkup .....	15
<b>Category 1: Proportions</b>	
Activity 16 – Skill Builder – Equivalent Forms of Fractions .....	16
Activity 17 – Skill Developer – Solving Problems with Proportions .....	17
Activity 18 – Skill Extender – Proportions Survey .....	18
Activity 19 – Skill Checker – Proportions Checkup .....	19
<b>Category 1: Factors, Expressions, and Equations</b>	
Activity 20 – Skill Builder – Prime Factorization and Order of Operations .....	20
Activity 21 – Skill Developer – Expression and Equation Match Up .....	21
Activity 22 – Skill Developer – Equivalent Expression Determination .....	22
Activity 23 – Skill Extender – Order of Operations Folded Paper Project .....	23
Activity 24 – Skill Checker – Factors, Expressions, and Equations Checkup .....	24
<b>Category 1: Properties of Operations</b>	
Activity 25 – Skill Builder – Properties of Operations Match-Up .....	25
Activity 26 – Skill Developer – Equivalent Expressions Using Properties of Operations .....	26
Activity 27 – Skill Extender – Properties of Operations Investigation .....	27
Activity 28 – Skill Checker – Properties of Operations Checkup .....	28
<b>Category 2: Positive and Negative Integer Operations</b>	
Activity 29 – Skill Builder – Integer Operations with a Number Line .....	29
Activity 30 – Skill Developer – Representing and Applying Integer Operations .....	30
Activity 31 – Skill Developer – Integer Operations Word Problems.....	31
Activity 32 – Skill Extender – Integer Operations Crossnumber Puzzle .....	32
Activity 33 – Skill Checker – Positive and Negative Integers Operations Checkup .....	33
<b>Category 2: Multiplying and Dividing Rational Numbers</b>	
Activity 34 – Skill Builder – Consequences of Fraction Multiplication .....	34
Activity 35 – Skill Developer – Fraction Multiplication and Division .....	35
Activity 36 – Skill Developer – Decimal Multiplication and Division .....	36
Activity 37 – Skill Extender – Area of Rectangles .....	37
Activity 38 – Skill Checker – Multiplying and Dividing Rational Numbers Checkup .....	38
<b>Category 2: Solving Problems with Percents</b>	
Activity 39 – Skill Builder – Percent Models .....	39
Activity 40 – Skill Developer – Percent Word Problems .....	40
Activity 41 – Skill Extender – Multivitamin Label Activity .....	41
Activity 42 – Skill Checker – Solving Problems with Percents Checkup .....	42
<b>Category 2: Solving Problems with Proportions</b>	
Activity 43 – Skill Builder – Qualitative Analysis of Ratios and Rates .....	43
Activity 44 – Skill Developer – Quantitative Analysis of Ratios and Rates .....	44
Activity 45 – Skill Developer – Ratio and Rate Representations .....	45
Activity 46 – Skill Extender – Recipe Activity .....	46
Activity 47 – Skill Checker – Solving Problems with Proportions Checkup .....	47
<b>Category 2: Relationships and Variables</b>	
Activity 48 – Skill Builder – Additive and Multiplicative Relationships .....	48
Activity 49 – Skill Developer – Independent and Dependent Variables .....	49
Activity 50 – Skill Developer – Relationship Representations .....	50
Activity 51 – Skill Extender – Independent and Dependent Folded Paper Project .....	51
Activity 52 – Skill Checker – Relationships and Variables Checkup .....	52

<b>Category 2: Understanding Equations and Inequalities</b>	
Activity 53 – Skill Builder – Number Line Representations of Solutions .....	53
Activity 54 – Skill Developer – Real-World Equations and Inequalities .....	54
Activity 55 – Skill Developer – Equation and Inequality Solutions .....	55
Activity 56 – Skill Extender – Equalities and Inequalities Folded Paper Project .....	56
Activity 57 – Skill Checker – Understanding Equations and Inequalities Checkup .....	57
<b>Category 2: Solving Equations and Inequalities</b>	
Activity 58 – Skill Builder – Modeling and Solving Equations and Inequalities .....	58
Activity 59 – Skill Developer – Representing Constraints or Conditions .....	59
Activity 60 – Skill Extender – Geometric Equations and Inequalities .....	60
Activity 61 – Skill Checker – Solving Equations and Inequalities Checkup .....	61
<b>Category 3: Unit Conversions</b>	
Activity 62 – Skill Builder – Unit Conversions within a Measurement System .....	62
Activity 63 – Skill Developer – Unit Conversion Problems .....	63
Activity 64 – Skill Extender – Unit Conversions Error Analysis .....	64
Activity 65 – Skill Checker – Unit Conversions Checkup .....	65
<b>Category 3: Angles and Side Lengths of Triangles</b>	
Activity 66 – Skill Builder – Properties of Angles Within a Triangle .....	66
Activity 67 – Skill Developer – Relationships Between Angles and Sides in a Triangle .....	67
Activity 68 – Skill Developer – Side Lengths of a Triangle .....	68
Activity 69 – Skill Extender – Triangle Inequality Theorem .....	69
Activity 70 – Skill Checker – Angles and Side Lengths of Triangles Checkup .....	70
<b>Category 3: Modeling Area Formulas</b>	
Activity 71 – Skill Builder – Decomposing and Rearranging Parts of Shapes .....	71
Activity 72 – Skill Developer – Modeling Area Formulas .....	72
Activity 73 – Skill Extender – Area Folding and Modeling Activity .....	73
Activity 74 – Skill Checker – Modeling Area Formulas Checkup .....	74
<b>Category 3: Solving Area and Volume Problems</b>	
Activity 75 – Skill Builder – Area and Volume Equations .....	75
Activity 76 – Skill Developer – Area Problems .....	76
Activity 77 – Skill Developer – Volume Problems .....	77
Activity 78 – Skill Extender – Volume of Real-World Rectangular Prisms .....	78
Activity 79 – Skill Checker – Solving Area and Volume Problems Checkup .....	79
<b>Category 3: Coordinate Plane</b>	
Activity 80 – Skill Builder – Coordinate Plane Match-Up .....	80
Activity 81 – Skill Developer – Graphing Ordered Pairs .....	81
Activity 82 – Skill Extender – Ordered Pair Artwork .....	82
Activity 83 – Skill Checker – Coordinate Plane Checkup .....	83
<b>Category 4: Paying for Goods or Services and Credit</b>	
Activity 84 – Skill Builder – Will that be Credit or Debit? .....	84
Activity 85 – Skill Developer – Credit Report Match-Up .....	85
Activity 86 – Skill Developer – Check Register Balancing .....	86
Activity 87 – Skill Extender – Checking and Debit Card Internet Comparison Activity .....	87
Activity 88 – Skill Checker – Paying for Goods or Services and Credit Checkup .....	88
<b>Category 4: College and Careers</b>	
Activity 89 – Skill Builder – College Payment Methods .....	89
Activity 90 – Skill Developer – Salaries and Earning Potential .....	90
Activity 91 – Skill Extender – Career Exploration Internet Activity .....	91
Activity 92 – Skill Checker – College and Careers Checkup .....	92
<b>Category 4: Types of Data</b>	
Activity 93 – Skill Builder – Data Type Match-Up .....	93
Activity 94 – Skill Developer – Situational Variability .....	94
Activity 95 – Skill Extender – Newspaper Data Activity .....	95
Activity 96 – Skill Checker – Types of Data Checkup .....	96
<b>Category 4: Numeric Data</b>	
Activity 97 – Skill Builder – Representations of Numeric Data .....	97
Activity 98 – Skill Developer – Analysis of Graphic Representations .....	98
Activity 99 – Skill Developer – Numerical Summaries .....	99
Activity 100 – Skill Developer – Numeric Data Interpretation .....	100
Activity 101 – Skill Extender – Perimeter Data Distribution Activity .....	101
Activity 102 – Skill Checker – Numeric Data Checkup .....	102
<b>Category 4: Categorical Data</b>	
Activity 103 – Skill Builder – Representations of Categorical Data .....	103
Activity 104 – Skill Developer – Categorical Data Distributions .....	104
Activity 105 – Skill Extender – Categorical Survey Activity .....	105
Activity 106 – Skill Checker – Categorical Data Checkup .....	106
