

# TABLE OF CONTENTS

TEA STAAR Grade 7 Mathematics Reference Materials .....	iii
<b>Category 1: Sets and Subsets of Rational Numbers</b>	
Activity 1 – Skill Builder – Types of Rational Numbers .....	1
Activity 2 – Skill Developer – Rational Number Venn Diagrams .....	2
Activity 3 – Skill Extender – Rational Numbers Logic Puzzle .....	3
Activity 4 – Skill Checker – Sets and Subsets of Rational Numbers Checkup .....	4
<b>Category 1: Outcomes, Events, and Probabilities</b>	
Activity 5 – Skill Builder – Sample Space Representations .....	5
Activity 6 – Skill Developer – Probabilities and Complements of Simple Events .....	6
Activity 7 – Skill Developer – Experimental and Theoretical Probability .....	7
Activity 8 – Skill Developer – Probability Predictions and Solutions .....	8
Activity 9 – Skill Developer – Qualitative and Quantitative Predictions and Comparisons .....	9
Activity 10 – Skill Extender – Compound Event Probability Activity .....	10
Activity 11 – Skill Checker – Outcomes, Events, and Probabilities Checkup .....	11
<b>Category 2: Properties and Order of Operations</b>	
Activity 12 – Skill Builder – Positive and Negative Rational Number Operations .....	12
Activity 13 – Skill Developer – Order of Operations .....	13
Activity 14 – Skill Developer – Number Operations Word Problems .....	14
Activity 15 – Skill Extender – Operations Error Analysis .....	15
Activity 16 – Skill Checker – Properties and Order of Operations Checkup .....	16
<b>Category 2: Constant Rate of Change in Proportions</b>	
Activity 17 – Skill Builder – Unit Rates .....	17
Activity 18 – Skill Developer – Representing Rate of Change in Proportions .....	18
Activity 19 – Skill Developer – Constant of Proportionality Reverse Bingo Game .....	19
Activity 20 – Skill Extender – Heart Rate Activity .....	20
Activity 21 – Skill Checker – Constant Rate of Change in Proportions Checkup .....	21
<b>Category 2: Solving Problems with Proportions</b>	
Activity 22 – Skill Builder – Percentage Problems .....	22
Activity 23 – Skill Developer – Ratio, Rate, and Percent Word Problems .....	23
Activity 24 – Skill Extender – Pet Supply Sales Activity .....	24
Activity 25 – Skill Checker – Solving Problems with Proportions Checkup .....	25
<b>Category 2: Constant Rate of Change in Non-proportions</b>	
Activity 26 – Skill Builder – Finding the Rate of Change in Non-proportions .....	26
Activity 27 – Skill Developer – Representing Rate of Change in Non-proportions .....	27
Activity 28 – Skill Extender – Rate of Change Folded Paper Project .....	28
Activity 29 – Skill Checker – Constant Rate of Change in Non-proportions Checkup .....	29
<b>Category 2: Representing Linear Relationships</b>	
Activity 30 – Skill Builder – Representing Linear Relationships Using Graphs and Tables .....	30
Activity 31 – Skill Developer – Linear Relationship Representations .....	31
Activity 32 – Skill Extender – Portrait Package Activity .....	32
Activity 33 – Skill Checker – Representing Linear Relationships Checkup .....	33
<b>Category 2: Representing and Solving Equations</b>	
Activity 34 – Skill Builder – Equations and Number Lines .....	34
Activity 35 – Skill Developer – Real-World Equations and Constraints .....	35
Activity 36 – Skill Developer – Modeling and Solving Equations .....	36
Activity 37 – Skill Developer – Solutions to Equations .....	37
Activity 38 – Skill Extender – Solutions to Equations Folded Paper Project .....	38
Activity 39 – Skill Checker – Representing and Solving Equations Checkup .....	39
<b>Category 2: Representing and Solving Inequalities</b>	
Activity 40 – Skill Builder – Inequalities and Number Lines .....	40
Activity 41 – Skill Developer – Real-World Inequalities and Constraints .....	41
Activity 42 – Skill Developer – Modeling and Solving Inequalities .....	42
Activity 43 – Skill Developer – Solutions to Inequalities .....	43
Activity 44 – Skill Extender – Solutions to Inequalities Folded Paper Project .....	44
Activity 45 – Skill Checker – Representing and Solving Inequalities Checkup .....	45
<b>Category 3: Conversions Between Measurement Systems</b>	
Activity 46 – Skill Builder – Unit Conversions Between Measurement Systems .....	46
Activity 47 – Skill Developer – Unit Conversion Word Problems .....	47
Activity 48 – Skill Extender – Volleyball Team Logic Puzzle .....	48
Activity 49 – Skill Checker – Conversions Between Measurement Systems Checkup .....	49

<b>Category 3: Attributes of Similarity and Scale Factors</b>	
Activity 50 – Skill Builder – Attributes of Similarity .....	50
Activity 51 – Skill Developer – Similar Figures and Scale Drawings .....	51
Activity 52 – Skill Developer – Similarity Problems .....	52
Activity 53 – Skill Extender – Scale Drawings .....	53
Activity 54 – Skill Checker – Attributes of Similarity and Scale Factors Checkup .....	54
<b>Category 3: Circles</b>	
Activity 55 – Skill Builder – Circle Match-Up .....	55
Activity 56 – Skill Developer – Circle Circumference Problems .....	56
Activity 57 – Skill Developer – Circle Area Problems .....	57
Activity 58 – Skill Extender – Describing Pi Activity .....	58
Activity 59 – Skill Checker – Circles Checkup .....	59
<b>Category 3: Area of Composite 2-D Figures</b>	
Activity 60 – Skill Builder – Composite Area Practice .....	60
Activity 61 – Skill Developer – Composite Area Problems .....	61
Activity 62 – Skill Extender – Composite Figure Construction .....	62
Activity 63 – Skill Checker – Area of Composite 2-D Figures Checkup .....	63
<b>Category 3: Lateral and Total Surface Area of 3-D Figures</b>	
Activity 64 – Skill Builder – Surface Area Match-Up .....	64
Activity 65 – Skill Developer – 3-D Figure Surface Area Problems .....	65
Activity 66 – Skill Extender – Surface Area Folded Paper Project .....	66
Activity 67 – Skill Checker – Lateral and Total Surface Area of 3-D Figures Checkup .....	67
<b>Category 3: Volume of 3-D Figures</b>	
Activity 68 – Skill Builder – Volume Practice .....	68
Activity 69 – Skill Developer – Volume Word Problems .....	69
Activity 70 – Skill Extender – 3-D Figure Folded Models Activity .....	70
Activity 71 – Skill Checker – Volume of 3-D Figures Checkup .....	74
<b>Category 3: Triangles and Angle Relationships</b>	
Activity 72 – Skill Builder – Writing Geometric Equations .....	75
Activity 73 – Skill Developer – Writing and Solving Geometric Equations .....	76
Activity 74 – Skill Extender – Geometric Equations Reverse Bingo Game .....	77
Activity 75 – Skill Checker – Triangles and Angle Relationships Checkup .....	78
<b>Category 4: Sales, Rebates, Coupons, and Sales Tax</b>	
Activity 76 – Skill Builder – School Supply Sales Tax .....	79
Activity 77 – Skill Developer – Monetary Incentive Word Problems .....	80
Activity 78 – Skill Extender – Sporting Goods Store Incentive Comparison .....	81
Activity 79 – Skill Checker – Sales, Rebates, Coupons, and Sales Tax Checkup .....	82
<b>Category 4: Income Tax, Interest, and Personal Budgets</b>	
Activity 80 – Skill Builder – Income Tax Calculations .....	83
Activity 81 – Skill Developer – Personal Budgets .....	84
Activity 82 – Skill Developer – Simple and Compound Interest .....	85
Activity 83 – Skill Extender – Family Budget Web Estimator Activity .....	86
Activity 84 – Skill Checker – Income Tax, Interest, and Personal Budgets Checkup .....	87
<b>Category 4: Financial Assets, Liabilities, and Net Worth</b>	
Activity 85 – Skill Builder – Financial Assets and Liabilities Record .....	88
Activity 86 – Skill Developer – Net Worth Statement .....	89
Activity 87 – Skill Extender – Net Worth Folded Paper Project .....	90
Activity 88 – Skill Checker – Financial Assets, Liabilities, and Net Worth Checkup .....	91
<b>Category 4: Random Samples from Populations</b>	
Activity 89 – Skill Builder – Population Inferences .....	92
Activity 90 – Skill Developer – Population Comparisons .....	93
Activity 91 – Skill Extender – Newsworthy Survey .....	94
Activity 92 – Skill Checker – Random Samples from Populations Checkup .....	95
<b>Category 4: Bar Graphs, Dot Plots, and Circle Graphs</b>	
Activity 93 – Skill Builder – Circle Graphs .....	96
Activity 94 – Skill Developer – Solving Problems with Graphs and Plots .....	97
Activity 95 – Skill Extender – Sibling Survey .....	98
Activity 96 – Skill Checker – Bar Graphs, Dot Plots, and Circle Graphs Checkup .....	99
<b>Category 4: Comparing Numeric Data</b>	
Activity 97 – Skill Builder – Numeric Data Match-Up .....	100
Activity 98 – Skill Developer – Comparative Dot Plots .....	101
Activity 99 – Skill Developer – Comparative Box Plots .....	102
Activity 100 – Skill Extender – Numeric Data Card Game .....	103
Activity 101 – Skill Checker – Comparing Numeric Data Checkup .....	104
